## INSTRUCTIONS

1. Use a detail brush to paint inside the ears, and the pads of the feet with 3 coats of Chiffon.
2. Paint the bowl section with 3 coats of Lemon Mist.
3. Paint in the bunny with 3 coats of London Fog.
4. Dip the sponge dabber into Banana Boat and tap off the excess paint. Then, apply the dots to the bowl, repeat with a second coach.
5. Use a detail brush to outline the eyes, mouth, and fill in the nose with a heavy coat of Battleship.
6. Fill in the eyes with 2 coats of Licorice.
7. Water down Battleship with 50% water to 50% paint. Sweep in shaded areas around the arms and lefts, and to the back of the ears. Use water to blend it out into the lighter grey.
8. Dip the back of the detail brush into Snowflake and tap a highlight onto each eye.

## TIPS

- Make sure to tap of the excess paint from the sponge dabber so that you get an even circle.
- You can use a brush with just water in it to brush over the Battleship shadows if you want to dilute.
