3. While that is still wet, dip you sponge into Cranberry Sauce. Tap the sponge along the bottom to create some shading to the bottom of the apple.
4. Paint in the leaf with 3 coats of Kiwi.
5. Next, fill in the stem with 3 coats of Mocha Java.
6. Go back to the leaf and add Christmas tree to the right side of the leaf that looks like it's curled up.
7. Use your liner brush to apply 1 coat of Christmas Tree to the veins on the leaf.
8. Finally, dip your finger in Snowflake paint and tap of the excess on a paper towel. Swipe your finger to create the highlight on the apple.
